**Subject:** Microsoft Settlement

I am opposed to the proposed settlement against Microsoft. It is my opinion that the settlement is inadequate in providing reparations for Microsoft's actions, and in preventing Microsoft from committing such actions in the future.

The settlement does nothing to prevent Microsoft from continuing in its abuse of its monopoly. Futher, it does nothing to help repair the damage that Microsoft has done to the software and computer industries.

It is my opinion that a new settlement should be drafted to address these issues.

Thank you for your time.

Sincerely,  
Tom Gwozdz
